

## SURVEY OF FINAL YEAR TOURISM MANAGEMENT STUDENTS

### Execution time

The survey was conducted in the spring semester of 2023 before the defence of the Graduation theses.

### Objective

The aim is to collect data on graduates' satisfaction with studies, to use the collected data to improve the Tourism Management study programme.

### Short presentation of the questionnaire

The questionnaire consists of 11 closed-ended and open-ended questions. Final year students of Tourism Management rated the study programme according to 11 statements on a five-point scale from 1 to 5, where 5 means “Strongly agree” with the statement (assigned a score of 5) and 1 means “Strongly disagree” (assigned a score of 1). 5 students participated in the survey.

### Presentation of survey results:

In the final year, more than 50% of students work by non-specialty. The strengths are the opportunity to go abroad (to study, to carry out practice, to participate in project activities) and the opportunity to participate in scientific / artistic activities.

**Rate how much you agree or disagree with the statements on the scale from 1 to 5, where 5 means strongly agree, 1 – strongly disagree.**
