*(NOTE: students' responses are unadjusted and uncorrected)*

### What's next?

Students final practice assessment survey is one of the tools to improve the quality of studies. Assessing the results of the survey, the Trainings and Cooperation Development Department sees what needs to be improved in organizing practice, with a particular focus on student communication with the practice tutors at the faculty and the practice tutors in the company, institution, organization, etc. The Trainings and Cooperation Development Department, which conducted this survey and summarized the results, submitted them to the Tourism Department.

Students are informed about the upcoming final practice in advance in order to ensure sufficient time to find a place of practice that corresponds to the study program and field of study. The Manager of Practical Training of the Trainings and Cooperation Development Department of the VK Faculty of Business Management organizes a meeting of students, practice tutors and the head of the department before the practice. A constantly updated database of student practice at the VK Faculty of Business Management is shared with students before the practice, which allows students to choose from many companies.

The Head of the Tourism Department, Dean and Vice-Dean of the Faculty are introduced to the results of the student survey and the need to improve the processes of organizing practice at the VK Faculty of Business Management is analyzed after the practice.
